Specialist Containers | Breakbulk | Rolling Stock to Cape Verde

The new NileDutch Europe - Cape Verde MPV service is specialized in moving container cargo, breakbulk cargo and rolling stock from Antwerp (BE) - Rouen (FR) - Leixoes (PT) - Lisbon (PT) to Praia (CV). NileDutch has grown to be one of the largest shipping companies in the world. We focus on the link between (West) Africa and the rest of the world, supporting companies as they discover the opportunities the African continent offers.

Our specialist services, especially suited for:

- containers from Europe to Cape Verde
- bulk
- breakbulk (steel, machinery, bags, cars)
- project cargo

The NileDutch fleet of container vessels is supplemented by vessels specially designed for OOG and project cargo. These include modern OOG tweendeck vessels of 12,000-18,000 dwt.
